Great Lengths

Week of April 4, 2011

edited by Alexandra Kotur

The only good thing about having to endure cold weather in April is that it makes employing the new, longer hemlines a necessity. We spied a few flattering variations —sweeping the floor or dusting just below the knee—this week and it was welcome respite from the mini-dress. Here's to leaving a little to the imagination.

WHO:

Dr. Lisa Airan

WHAT:

Alexander McQueen

WHERE:

Runway to Green event at Christie's, NYC

WHEN:

March 29, 2011

8.
